- Design: Curved shape maintains the integrity of the wire rope loop, reducing wear and tear.
- 1 Year Warranty, Customer Support and Service in the USA

### 1/4 in Light Duty Wire Rope Thimble Description

The 1/4 inch Light Duty Wire Rope Thimble is a protective fitting designed to enhance the durability and lifespan of wire rope applications. This thimble helps maintain the shape of the loop in the wire rope while providing added protection against wear and abrasion. Ideal for light-duty applications, it ensures a secure and reliable connection for various lifting and rigging tasks.
