

MADE IN CANADA

LOCKING GRAB HOOK WITH LATCH AND 3 CHAIN LINKS

Key features

- Locking Mechanism: Equipped with a latch for secure attachment and to prevent accidental release.
- Heavy-Duty Construction: Made from robust materials to handle substantial loads and withstand wear and tear.
- Integrated Chain Links: Includes 3 chain links for easy connection to chains or other rigging equipment.
- 3 Year Warranty, Customer Support and Service in the USA

Winch Description

This Locking Grab Hook features a secure latch and three chain links, providing reliable and versatile attachment for various rigging and lifting applications. The locking mechanism ensures that the hook remains securely in place, while the durable construction offers strength and stability. Ideal for heavy-duty use, it's perfect for applications requiring secure and adjustable connections.
