- Durable Construction: Built with high-quality materials for long-lasting durability and resistance to wear and tear.
- 1 Year Warranty, Customer Support and Service in the USA

### **Winch Description**

2200 lb Wireless Lifting Winch are used for lifting material. Winches usually ship within 1-3 business days after ordering. Please call us at 1 (800) 971-8061 for any special requests. The Highest Quality, most Technologically Advanced Winches in the Industry. Powered by the Honda 4-stroke GXH-50 cc engine, this winch is designed for heavy loads. Weighing just 16 kg, it offers a pulling force of 1000 kg. In addition, there are 2 speed options thanks to the interchangeable capstan drums. If you opt for POWER, choose the 57 mm drum pulling at a speed of 12 meters per minute. If your situation calls for SPEED, choose the 85 mm\* drum pulling at a speed of 18 meters per minute. This portable capstan winch can be used with any length of double-braid polyester rope with a 12 mm diameter and with all portable winch equipment and accessories.
