

## 5 Ton Heavy Duty Beam Clamp 3 in - 12.5 in Jaw Capacity

## Key features

- Adjustable locking screw mechanism allows to quickly change the width for quick interchange from one beam to another.
- Baked powdered paint to reduce exposure to weather and increase lifespan, especially in harsh environments
- Adjustable range: 3-12.5 inches beams
- 11000 lbs Load Capacity - Quality Control and Test Certificate included
- 3 Year Warranty, Customer Support and Service in the USA

This 5 ton beam clamp is intended as support for lifting equipment like a chain hoist, wire rope hoist, or pulley. It can also be used as a beam lifter to move or position I-beams.
