3/8 in. Grade 43 Clevis Slip Hook High Test Zinc Plated Description

The 3/8 in. Grade 43 Clevis Slip Hook is a durable and versatile lifting accessory designed for high-test applications. Constructed from high-strength steel and featuring a zinc-plated finish, this slip hook is resistant to corrosion and wear, making it suitable for various rigging and towing tasks. The clevis design allows for easy attachment to chains or slings, ensuring secure connections during use.
