1/2 in. Grade 43 Clevis Slip Hook High Test Zinc Plated Description

The 1/2 in. Grade 43 Clevis Slip Hook is a heavy-duty lifting accessory designed for high-test applications. Made from high-strength steel and finished with a zinc plating for corrosion resistance, this slip hook ensures durability and reliability in demanding environments. Its clevis design allows for quick and secure attachment to chains or slings, making it ideal for various rigging and towing tasks.
