

Limit Switch Bracket for PWA/PWX1100Ru

Key features

- **Secure Mounting:** Ensures the limit switch is firmly attached, preventing misalignment and ensuring precise functionality.
- **Durable Construction:** Made from high-quality materials to withstand tough industrial environments and heavy use.
- **Easy Installation:** Quick and straightforward to install, reducing maintenance time and minimizing hoist downtime.

Limit Switch Bracket for PWA/PWX1100Ru Description

The Limit Switch Bracket for the PWA/PWX1100Ru hoists is a crucial mounting component designed to securely hold limit switches in place, ensuring accurate and reliable operation. This bracket is specifically tailored for the PWA and PWX1100Ru series, providing stable support in heavy-duty industrial applications.
