

Pulley and Hook for PWA/PWX2200

Key features

- **High Load Capacity:** Engineered to handle heavy loads, ensuring safe and reliable lifting in demanding industrial environments.
- **Durable Construction:** Made from high-quality materials that offer strength and longevity, reducing the risk of wear and tear over time.
- **Easy Installation:** Engineered for straightforward installation

Pulley and Hook for PWA/PWX2200 Description

The Pulley and Hook assembly for the PWA/PWX2200 is a vital component designed to enhance the lifting capability and efficiency of your hoist system. This assembly provides reliable support for lifting and lowering loads, ensuring safe and effective operations.

Technical Specifications

Unit Weight & Dimensions

Total Unit Weight	6 lbs / 3 Kg
--------------------------	--------------

Packaging Weight & Dimensions

Package 1 Net Weight	6 lbs / 3 Kg
-----------------------------	--------------

Package 1 Width	5 in / 12.7 cm
------------------------	----------------

Package 1 Gross Weight	7 lbs / 3 Kg
-------------------------------	--------------

Package 1 Height	2 in / 5.08 cm
-------------------------	----------------

Package 1 Length	5 in / 12.7 cm
-------------------------	----------------
