

## Motor Starting Capacitor 56 $\mu$ F for PWA440Ru , PWX440Ru Generation 3

### Key features

- **Optimal Performance:** Specifically designed to deliver 56 $\mu$ F of capacitance, providing the necessary boost to start the motor effectively.
- **High-Quality Materials:** Constructed from premium materials that ensure durability and reliability, capable of withstanding the demands of industrial applications.
- **Easy Installation:** Compact design allows for straightforward installation in PWA440Ru and PWX440Ru models, minimizing downtime during maintenance.

### Motor Starting Capacitor 56 $\mu$ F Description

The Motor Starting Capacitor (56 $\mu$ F) for the PWA440Ru and PWX440Ru Generation 3 is a vital component designed to provide the necessary starting torque for the motor in your hoist system. This capacitor ensures efficient motor operation, enhancing performance and reliability during the start-up phase.

## Technical Specifications

### Unit Weight & Dimensions

|                          |              |
|--------------------------|--------------|
| <b>Total Unit Weight</b> | 1 lbs / 1 Kg |
|--------------------------|--------------|

### Packaging Weight & Dimensions

|                             |              |
|-----------------------------|--------------|
| <b>Package 1 Net Weight</b> | 1 lbs / 0 Kg |
|-----------------------------|--------------|

|                        |                |
|------------------------|----------------|
| <b>Package 1 Width</b> | 5 in / 12.7 cm |
|------------------------|----------------|

|                               |              |
|-------------------------------|--------------|
| <b>Package 1 Gross Weight</b> | 1 lbs / 0 Kg |
|-------------------------------|--------------|

|                         |                |
|-------------------------|----------------|
| <b>Package 1 Height</b> | 5 in / 12.7 cm |
|-------------------------|----------------|

|                         |                |
|-------------------------|----------------|
| <b>Package 1 Length</b> | 5 in / 12.7 cm |
|-------------------------|----------------|
