

1 Ton. Jib Crane 88 in Lift Height. Includes PWRC1i

Key features

- Load Capacity: Supports up to 1 ton for robust lifting capabilities.
- Lift Height: Offers a maximum lift height of 88 inches, accommodating a wide range of applications.
- Durable Construction: Built with high-quality materials to ensure stability and long-lasting performance.
- 3 Year Warranty, Customer Support and Service in the USA

Jib Crane 88 in Lift Height Description

The 1 Ton Jib Crane is a reliable lifting solution designed for heavy-duty applications, featuring an impressive lift height of 88 inches. This crane is engineered to enhance efficiency in material handling, making it suitable for various industrial and workshop environments. It includes the PWRC1i, providing added functionality and ease of use for your lifting tasks.
