

# 5 Tons. Jib Crane 196 in Lift Height. Includes PWRC5

### **Key features**

- Load Capacity: Supports up to 5 tons, perfect for heavy lifting tasks.
- Durable Construction: Built with high-quality materials for exceptional stability and long-lasting performance.
- Lift Height: Maximum lift height of 196 inches, accommodating a wide range of applications.
- 3 Year Warranty, Customer Support and Service in the USA

#### 5 Ton Jib Crane 196 in Lift Height Description

The 5 Tons Jib Crane is a robust lifting solution designed for heavy-duty applications, featuring a substantial lift height of 196 inches. Ideal for industrial and workshop environments, this crane enhances efficiency in material handling tasks. It includes the PWRC5, providing advanced control for smooth and precise operation, making it perfect for handling large and heavy loads safely.

## **Technical Specifications**

Warranty

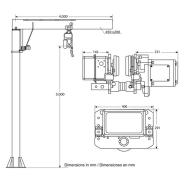

3 Year
