

Volts Amp. and HZ Max. 600V 100A 100HZ

Key features

- Voltage Rating: Max. 600V for high-voltage applications.
- Current Capacity: Supports up to 100A for heavy loads.
- Frequency: Operates at a maximum of 100Hz for versatile applications.
- 3 Year Warranty, Customer Support and Service in the USA

Volts Amp. and HZ Max. 600V 100A 100HZ Description

This electrical component supports up to 600V, 100A, and 100Hz, making it ideal for industrial applications. Designed for durability and reliability, it ensures efficient power distribution in demanding environments while meeting stringent safety standards. Perfect for use in manufacturing, power generation, and HVAC systems.

Technical Specifications

Warranty	3 Year
