

## Hydraulic Power Pack 190 Bar / 19 Mpa / 150LxM / 630 L

### Key features

- High Pressure: Operates at 190 Bar (19 MPa), delivering powerful hydraulic pressure for demanding tasks.
- Flow Rate: Provides a high flow rate of 150 liters per minute (LxM), ensuring rapid and efficient hydraulic performance.
- Large Tank Capacity: Equipped with a 630-liter hydraulic oil tank, supporting extended operational periods with reduced need for refills.
- 3 Year Warranty, Customer Support and Service in the USA

### Hydraulic Power Pack 190 Bar / 19 Mpa / 150LxM / 630 L Description

This high-capacity hydraulic power pack operates at 190 Bar (19 Mpa) and offers a flow rate of 150 liters per minute, with a substantial tank capacity of 630 liters. Engineered for demanding industrial and construction applications, it provides robust hydraulic pressure and efficient fluid delivery, ensuring reliable performance and durability for heavy-duty tasks.
