

Hydraulic Power Pack 280 Bar / 28 Mpa / 331LxM / 1600 L

Key features

- High Pressure: Operates at 280 Bar (28 MPa), providing substantial hydraulic pressure for powerful and demanding applications.
- High Flow Rate: Delivers a flow rate of 331 liters per minute (LxM), ensuring rapid and efficient hydraulic performance.
- Large Tank Capacity: Equipped with a 1600-liter hydraulic oil tank, supporting extended operational periods with minimal need for refills.
- 3 Year Warranty, Customer Support and Service in the USA

Hydraulic Power Pack 280 Bar / 28 Mpa / 331LxM / 1600 L Description

This robust hydraulic power pack operates at 280 Bar (28 Mpa) and provides a high flow rate of 331 liters per minute, with a large tank capacity of 1600 liters. Ideal for demanding industrial and construction applications, it ensures powerful hydraulic pressure and efficient fluid delivery, offering reliable and durable performance for heavy-duty tasks.
