

Encoder SEW Made in Germany

Key features

- Brand: SEW, renowned for quality and innovation.
- Origin: Manufactured in Germany for superior craftsmanship.
- Precision Measurement: Accurately detects rotational position, speed, and direction.
- 3 Year Warranty, Customer Support and Service in the USA

Encoder SEW Made in Germany Description

This high-quality encoder from SEW, made in Germany, is engineered for precision and reliability in various industrial applications. It accurately measures rotational position, speed, and direction, ensuring optimal performance in automation and control systems. Designed with robust construction, this encoder is suitable for harsh environments and provides long-lasting durability.

Technical Specifications

Warranty	3 Year
----------	--------

Unit Weight & Dimensions

Total Unit Weight	2 lbs / 1 Kg
-------------------	--------------

Packaging Weight & Dimensions

Package 1 Net Weight	2 lbs / 1 Kg
----------------------	--------------

Package 1 Width	5 in / 12.7 cm
-----------------	----------------

Package 1 Gross Weight	2.3 lbs / 1 Kg
------------------------	----------------

Package 1 Height	5 in / 12.7 cm
------------------	----------------

Package 1 Length	5 in / 12.7 cm
