### Lever Chain Hoist Description

The **Prowinch 9 ton Lever Chain Hoist** is durable, yet portable, and the convenient hook allows the hoist to be quickly mounted wherever it is needed. It is an excellent choice for a wide variety of applications, particularly in environments where electricity is not available.

### Prowinch Lever Chain Hoist

All of our **Lever Chain Hoists** are created with the goal of offering the best price-performance ratio. Key components such as lifespan factors are constantly tested and improved in order to offer the best product for the price.

### Braking System

The reliable double pawl brake system is tested at 125% of the hoist capacity.
