

C-32 Festoon Rail End Cap

Key features

- **Durable Construction:** Made from high-quality materials to ensure longevity and resilience in industrial environments.
- **Secure Fit:** Engineered to fit snugly on C-32 rail ends, preventing any movement or slippage.
- **Easy Installation:** Quick and hassle-free installation process, allowing for immediate use.
- **3 Year Warranty, Customer Support and Service in the USA**

C-32 Festoon Rail End Cap Description

The C-32 Festoon Rail End Cap is an essential component designed to secure the ends of C-32 festoon rail systems, providing a clean and finished look while enhancing safety and functionality. This end cap prevents the accidental disengagement of trolleys and protects the rail from dust and debris.
