

## 5 In font Display for PWHY series Crane Scales

### Key features

- Extra-Large 5-Inch Font: Delivers outstanding clarity, allowing operators to see weight readings from across large workspaces or in high-traffic areas.
- Compatible with PWHY Series: Tailored to work seamlessly with PWHY crane scales, ensuring accurate and reliable display of weight information.
- High-Brightness LED: The ultra-bright LED display provides excellent visibility in both indoor and outdoor settings, making it suitable for various industrial applications.
- 3 Year Warranty, Customer Support and Service in the USA

### 5 In font Display for PWHY series Crane Scales Description

The 5-Inch Font Display for PWHY Series Crane Scales offers superior visibility and readability, making it the ideal choice for industrial settings where precise load monitoring is essential. This display features an extra-large 5-inch font, ensuring that weight measurements are clearly visible from longer distances, even in challenging environments. It is specifically designed to integrate with the PWHY series crane scales, providing an easy-to-read interface for operators.
