

Coupling Bushing for PWK1250i

Key features

- **Specific Compatibility:** Designed exclusively for the PWK1250i model, ensuring a perfect fit and reliable functionality in power transmission.
- **Durable Construction:** Made from high-quality materials that provide excellent resistance to wear and stress, ensuring long-lasting performance.
- **Efficient Power Transfer:** Ensures smooth and effective coupling between components, minimizing energy loss and enhancing operational efficiency.
- **3 Year Warranty, Customer Support and Service in the USA**

Coupling Bushing for PWK1250i Description

The Coupling Bushing for the PWK1250i is a vital component designed to facilitate the connection between the motor and the reducer. This bushing ensures a secure and efficient transfer of power, contributing to the overall performance of the system.
