

#26 one level planet frame for PWK12600i/PWK21000

Key features

- **Model Compatibility:** Specifically designed for the PWK12600i and PWK21000 models, ensuring a perfect fit and seamless integration with existing systems.
- **Robust Construction:** Made from high-strength materials that provide excellent durability and resistance to wear, ensuring long-lasting performance under heavy loads.
- **Efficient Power Transmission:** Engineered to optimize the movement of planetary gears, enhancing the overall efficiency of the winch operation.
- **3 Year Warranty, Customer Support and Service in the USA**

#26 one level planet frame for PWK12600i/PWK21000 Description

The #26 One-Level Planet Frame for the PWK12600i and PWK21000 is a vital component designed to facilitate smooth and efficient power transmission within the winch system. This frame is essential for the functionality and reliability of the planetary gear assembly.
