

#31 rating elastic damping 65mm for PWK12600i/PWK21000

Key features

- Model Compatibility: Specifically designed for the PWK12600i and PWK21000, ensuring a perfect fit and effective vibration dampening.
- Effective Shock Absorption: Engineered to absorb impacts and vibrations, contributing to smoother operation and extending the lifespan of the winch components.
- Durable Construction: Made from high-quality elastic materials that resist wear and provide consistent performance under varying loads.
- 3 Year Warranty, Customer Support and Service in the USA

#31 rating elastic damping 65mm for PWK12600i/PWK21000 Description

The #31 Elastic Damping component (65mm) for the PWK12600i and PWK21000 is designed to reduce vibrations and absorb shocks within the winch system. This component enhances the overall stability and performance of the equipment.
