

Carbons assembly for PWLD20000 12 and 24V

Key features

- Model Compatibility: Specifically designed for the PWLD20000, compatible with both 12V and 24V configurations for versatile application.
- High-Quality Carbon Material: Constructed from durable carbon materials that offer excellent conductivity and resist wear, ensuring long-lasting functionality.
- Efficient Power Transfer: Engineered for smooth operation with minimal electrical resistance, enhancing the performance of the winch during operation.
- 3 Year Warranty, Customer Support and Service in the USA

Carbons assembly for PWLD20000 12 and 24V Description

The Carbons Assembly for the PWLD20000 is an essential component designed to ensure optimal electrical performance in the winch system. This assembly includes high-quality carbon brushes that facilitate effective power transfer, contributing to the overall efficiency of the winch.
