

## Bushing Metallic Drum Winch PWLDH20000 PWLD2000012V & PWLD2000024V

### Key features

- Model Compatibility: Specifically designed for the PWLDH20000 winch, compatible with both 12V and 24V systems.
- Durable Construction: Made from high-quality metallic materials that ensure strength and resistance to wear, suitable for heavy-duty applications.
- Smooth Operation: Engineered to reduce friction and provide a seamless interface between moving parts, enhancing the overall efficiency of the winch.
- 3 Year Warranty, Customer Support and Service in the USA

### Base flange reducer side for PWLD20000 Description

The Bushing for the Metallic Drum Winch PWLDH20000 is a critical component designed to facilitate smooth operation and enhance the performance of the winch. This bushing serves as a protective and supportive element within the drum assembly.
