

Stator for PWLD300012V

Key features

- **Model Compatibility:** Specifically designed for the PWLD3000 (12V), ensuring seamless integration with the winch system.
- **Durable Construction:** Made from high-quality materials that provide excellent thermal resistance and durability, capable of withstanding demanding conditions.
- **Efficient Performance:** Engineered to optimize electromagnetic performance, enhancing the overall efficiency and responsiveness of the winch.
- **3 Year Warranty, Customer Support and Service in the USA**

Stator for PWLD300012V Description

The Stator for the PWLD3000 (12V) is a vital component of the winch's motor assembly, responsible for generating the electromagnetic field that powers the winch. This high-quality stator ensures optimal performance and reliability during operation.
