

## Rotor for PWLD1200012V and PWLD2000012V PALETTE SHAFT LONG

### Key features

- Model Compatibility: Designed for PWLD8500, PWLD12000, and PWLD20000 (12V) winches, ensuring a perfect fit and optimal performance.
- Durable Construction: Made from high-quality materials that provide excellent resistance to wear and thermal stress, ensuring longevity under demanding conditions.
- Long Palette Shaft Design: The extended shaft allows for better alignment and torque transfer, enhancing the overall efficiency of the winch operation.
- 3 Year Warranty, Customer Support and Service in the USA

### Rotor for PWLD850012V PWLD1200012V and PWLD2000012V PALETTE SHAFT LONG Description

The Rotor for the PWLD8500, PWLD12000, and PWLD20000 (12V) with a long palette shaft is a vital component of the winch motor, responsible for converting electrical energy into mechanical energy. This rotor is specifically designed for enhanced performance in heavy-duty lifting applications.
