

Stator for PWLD850024V PWLD1200024V and PWLD2000024V

Key features

- Model Compatibility: Specifically designed for PWLD8500 (24V), PWLD12000 (24V), and PWLD20000 (24V) winches, ensuring a perfect fit and compatibility.
- Durable Construction: Made from high-quality materials that provide excellent thermal and electrical resistance, enhancing the lifespan of the winch.
- Optimized Performance: Engineered to facilitate efficient energy conversion, resulting in smooth and reliable operation under various load conditions.
- 3 Year Warranty, Customer Support and Service in the USA

Stator for PWLD850024V PWLD1200024V and PWLD2000024V Description

The Stator for PWLD8500, PWLD12000, and PWLD20000 winches is a crucial component that plays a key role in the motor's function. It generates the magnetic field necessary for converting electrical energy into mechanical power, ensuring efficient operation for heavy-duty lifting tasks.
