

## Central Axle for 8500 12000 and 20000 winches

### Key features

- **Model Compatibility:** Specifically engineered for PWLD8500, PWLD12000, and PWLD20000 winches, ensuring seamless integration and optimal functionality.
- **Durable Construction:** Manufactured from high-strength materials that resist wear and fatigue, ensuring long-lasting performance under heavy loads.
- **Robust Support:** Provides essential structural integrity and support, enabling smooth operation during lifting tasks.
- **3 Year Warranty, Customer Support and Service in the USA**

### Central Axle for 8500 12000 and 20000 winches Description

The Central Axle is a crucial component for the PWLD8500, PWLD12000, and PWLD20000 winches, providing the necessary support and stability for effective lifting operations. This part is designed to ensure reliable performance in demanding environments.
