

## Base Flange Reducer side for PWLD8500 and PWLD12000

### Key features

- **Model Compatibility:** Specifically designed for PWLD8500 and PWLD12000 winches, ensuring an exact fit and optimal functionality.
- **Durable Construction:** Manufactured from high-quality materials that provide excellent durability and resistance to wear, ensuring long-lasting performance.
- **Secure Mounting:** Provides a robust foundation for the reducer, maintaining alignment and stability during lifting operations.
- **3 Year Warranty, Customer Support and Service in the USA**

### Base Flange Reducer side for PWLD8500 and PWLD12000 Description

The Base Flange (Reducer Side) is a vital component for the PWLD8500 and PWLD12000 winches, serving as a secure mounting interface for the reducer. This part ensures stability and proper alignment, essential for efficient winch operation.

## Technical Specifications

Warranty	3 Year
