

LED Flood Lights - Explosion Proof 100w

Key features

- Powerful Output: 100W LED provides bright and efficient lighting, perfect for large areas.
- Durable Construction: Built with rugged materials to withstand harsh conditions and ensure long-lasting use.
- Explosion Proof Design: Certified for use in hazardous environments, minimizing risk in explosive settings.
- 3 Year Warranty, Customer Support and Service in the USA

Explosion Proof Description

The Explosion Proof LED Flood Light (100W) is designed for use in hazardous environments where safety is a priority. With a robust construction and high efficiency, this flood light provides powerful illumination while meeting stringent safety standards. Ideal for industrial settings, it ensures reliable performance in explosive atmospheres.
