Prowinch **gantry cranes** are built for simplicity and maximum usability. With their specially designed steel structure, they are ideal for buildings and work areas, both indoors and outdoors. A low headroom hoist will make the most of your existing workspace.

This **Prowinch Fixed Height 1 Ton Gantry Crane** will give you the safest and most efficient way to move materials anywhere inside a facility. Heavy-duty construction designed with square tubing uprights and channel base mounted on heavy-duty polymer caster that won't scratch the floor. Each caster features its own locking brake to prevent movement while the crane is loaded.

Fixed Height Steel Gantry Cranes are pre-engineered for use with power hoists. This gantry crane is designed suitable for use in permanent and semi-permanent applications. Fork truck assistance may be required for initial setup.
