

Permanent Magnetic Lifter Lever for PWML1000

Key features

- **Load Capacity:** Safely lifts up to 2200 lbs (1000 kg), suitable for heavy-duty lifting tasks.
- **Permanent Magnet Technology:** Utilizes strong permanent magnets to provide a secure grip on ferrous materials without requiring an external power source.
- **Durable Construction:** Made from high-quality materials to ensure long-lasting performance and reliability in demanding environments.

Permanent Magnetic Lifter Lever Description

The Permanent Magnetic Lifter Lever for PWML1000 is a powerful and efficient lifting tool designed for handling heavy ferrous materials with ease. This lever-operated lifter offers a substantial lifting capacity of up to 2200 lbs (1000 kg), making it an ideal choice for various industrial applications.
