

## Permanent Magnetic Lifter Lever for PWML5000

### Key features

- **Load Capacity:** Lifts up to 11,000 lbs (5000 kg), making it suitable for heavy-duty lifting tasks.
- **Permanent Magnet Technology:** Utilizes powerful permanent magnets to securely grip ferrous materials without requiring external power.
- **Durable Construction:** Crafted from high-quality materials to ensure long-lasting durability and reliability in demanding environments.

### Permanent Magnetic Lifter Lever Description

The Permanent Magnetic Lifter Lever for PWML5000 is a high-capacity lifting tool designed for the safe handling of heavy ferrous materials. With a lifting capacity of up to 11,000 lbs (5000 kg), this lever-operated magnetic lifter is ideal for a wide range of industrial applications, ensuring secure and efficient material handling.

## Technical Specifications

### Unit Weight & Dimensions

|                          |              |
|--------------------------|--------------|
| <b>Total Unit Weight</b> | 4 lbs / 2 Kg |
|--------------------------|--------------|

### Packaging Weight & Dimensions

|                             |              |
|-----------------------------|--------------|
| <b>Package 1 Net Weight</b> | 4 lbs / 2 Kg |
|-----------------------------|--------------|

|                        |                |
|------------------------|----------------|
| <b>Package 1 Width</b> | 5 in / 12.7 cm |
|------------------------|----------------|

|                               |              |
|-------------------------------|--------------|
| <b>Package 1 Gross Weight</b> | 6 lbs / 3 Kg |
|-------------------------------|--------------|

|                         |                |
|-------------------------|----------------|
| <b>Package 1 Height</b> | 5 in / 12.7 cm |
|-------------------------|----------------|

|                         |                |
|-------------------------|----------------|
| <b>Package 1 Length</b> | 5 in / 12.7 cm |
|-------------------------|----------------|
