

10 - Core 16 AWG

Pendant control cable 10 Cores (per foot)

Key features

- 10 Core Design: Provides multiple channels for control signals, allowing for versatile and efficient operation of machinery.
- Durable Construction: Built to withstand harsh conditions, ensuring long-lasting performance in industrial settings.
- High-Quality Insulation: Protects against moisture and environmental factors, enhancing the cable's longevity and reliability.

Pendant control cable Description

The Pendant Control Cable with 10 cores is designed for robust and reliable connection in industrial applications. This flexible cable is perfect for use with pendant controls, providing durability and optimal performance in demanding environments.

Technical Specifications

Unit Weight & Dimensions

Total Unit Weight	1 lbs / 1 Kg
