

**6 - Core  
16 AWG**

## Pendant control cable 6 Cores (per foot)

### Key features

- 6 Core Configuration: Offers multiple channels for effective control signal transmission, suitable for various machinery.
- Durable Construction: Engineered to withstand harsh industrial conditions, ensuring long-lasting reliability and performance.
- High-Quality Insulation: Provides protection against moisture and environmental factors, enhancing durability and safety.

### Pendant control cable Description

The Pendant Control Cable with 6 cores is designed for reliable performance in industrial applications. This flexible cable is ideal for pendant control systems, providing efficient signal transmission and durability in demanding environments.

## Technical Specifications

### Unit Weight & Dimensions

<b>Total Unit Weight</b>	1 lbs / 1 Kg
--------------------------	--------------

### Packaging Weight & Dimensions

<b>Package 1 Net Weight</b>	1 lbs / 0 Kg
-----------------------------	--------------

<b>Package 1 Width</b>	1 in / 2.54 cm
