

**8 - Core**  
**16 AWG**

## Pendant control cable 8 Cores (per foot)

### Key features

- 8 Core Configuration: Provides multiple channels for effective control signal transmission, accommodating a variety of machinery.
- Durable Construction: Built to withstand harsh industrial conditions, ensuring reliable and long-lasting performance.
- High-Quality Insulation: Protects against moisture and environmental factors, enhancing the cable's lifespan and safety.

### Pendant control cable Description

The Pendant Control Cable with 8 cores is designed for optimal performance in industrial settings. This flexible cable is perfect for pendant control systems, ensuring efficient signal transmission and long-lasting durability.

## Technical Specifications

### Unit Weight & Dimensions

<b>Total Unit Weight</b>	1 lbs / 1 Kg
