

Hydraulic Bottle for PWPHW207W

Key features

- **Compatibility:** Specifically designed for use with the PWPHW207W winch.
- **Durable Construction:** Built from high-quality materials to handle heavy lifting and harsh operational environments.
- **Hydraulic Support:** Provides the necessary hydraulic force to ensure smooth operation and optimal lifting performance.

Hydraulic Bottle for PWPHW207W Description

The Hydraulic Bottle for the PWPHW207W is a key component designed to provide reliable hydraulic support for lifting and lowering operations. Engineered for heavy-duty performance, it ensures smooth and efficient functioning of the winch system.

Technical Specifications

Unit Weight & Dimensions

Total Unit Weight	15 lbs / 7 Kg
--------------------------	---------------

Packaging Weight & Dimensions

Package 1 Net Weight	15 lbs / 7 Kg
-----------------------------	---------------

Package 1 Width	5 in / 12.7 cm
------------------------	----------------

Package 1 Gross Weight	16 lbs / 7 Kg
-------------------------------	---------------

Package 1 Height	5 in / 12.7 cm
-------------------------	----------------

Package 1 Length	20 in / 50.8 cm
-------------------------	-----------------
