

Wire Rope Pulley 22 Ton

Key features

- **Load Capacity:** Supports loads up to 22 tons, ensuring robust performance for heavy lifting operations.
- **Durable Design:** Constructed from premium materials to withstand harsh environments, offering exceptional strength and longevity.
- **Smooth Operation:** Designed for optimal cable management, reducing friction and wear on the wire rope for enhanced lifting efficiency.
- **3 Year Warranty, Customer Support and Service in the USA**

Wire Rope Pulley 22 Ton Description

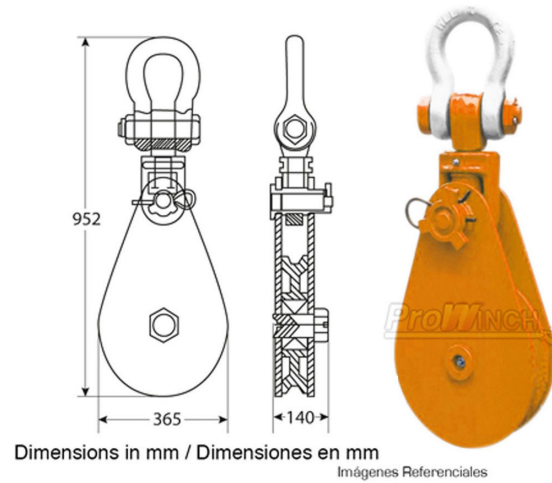

The Wire Rope Pulley with a capacity of 22 tons is engineered for high-performance lifting in demanding industrial applications. This heavy-duty pulley is designed to provide reliable and efficient handling of substantial loads, making it an essential tool for construction, rigging, and material handling tasks.

Prowinch Snatch Blocks Pulleys

All of our **Snatch Blocks Pulleys** are created with the goal of offering the best quality and performance. Key components such as lifespan factors are constantly tested and improved in order to offer the best product for the price.

Technical Specifications

Rated Load Capacity	48 501 lb / 22 000 kg	Design Factor	4:1
Recommended wire rope	1/8 ~ 1 3/8 in / 28 ~ 32 mm	Warranty	3 Year
Pulley Diameter	Ø13.9 in / Ø355 mm		

Unit Weight & Dimensions

Total Unit Weight	240 lbs / 109 Kg
