

## 14 Pin Quick Connector for PWR Series

### Key features

- 14 Pin Configuration: Supports a wide range of connections in a compact format, enhancing versatility for various applications.
- Quick Connect/Disconnect: Enables rapid assembly and disassembly, significantly reducing setup and maintenance time.
- Robust Construction: Designed to withstand tough industrial conditions, ensuring durability and long-lasting performance.
- 3 Year Warranty, Customer Support and Service in the USA

### 14 Pin Quick Connector Description

The 14 Pin Quick Connector for PWR Series is engineered for reliable and efficient electrical connections in industrial applications. This connector facilitates quick assembly and disassembly, making it ideal for systems that require frequent maintenance or adjustments.

## Technical Specifications

### Unit Weight & Dimensions

<b>Total Unit Weight</b>	2 lbs / 1 Kg
--------------------------	--------------

### Packaging Weight & Dimensions

<b>Package 1 Net Weight</b>	2 lbs / 1 Kg
-----------------------------	--------------

<b>Package 1 Width</b>	2 in / 5.08 cm
------------------------	----------------

<b>Package 1 Gross Weight</b>	2 lbs / 1 Kg
-------------------------------	--------------

<b>Package 1 Height</b>	1 in / 2.54 cm
-------------------------	----------------

<b>Package 1 Length</b>	2 in / 5.08 cm
