

Motor Brake PWR05 PWRC05 PWR05i PWRC05i

Key features

- **Compatibility Across Models:** Designed to seamlessly fit and function with PWR05, PWRC05, PWR05i, and PWRC05i electric chain hoist models, ensuring versatile use across your equipment range.
- **High-Performance Braking System:** Delivers dependable and precise braking power for secure operation, enhancing overall safety during lifting and lowering applications.
- **Durable and Long-Lasting Construction:** Built with robust materials to withstand heavy-duty use, ensuring a prolonged service life and consistent performance.

Motor Brake Description

The Motor Brake PWR05 PWRC05 PWR05i PWRC05i is a reliable and efficient braking system designed for various lifting applications. This durable motor brake ensures safety and precision, making it a perfect replacement part for compatible electric chain hoists.

Technical Specifications

Unit Weight & Dimensions

Total Unit Weight	11 lbs / 5 Kg
--------------------------	---------------

Packaging Weight & Dimensions

Package 1 Net Weight	11 lbs / 5 Kg
-----------------------------	---------------

Package 1 Width	7 in / 17.78 cm
------------------------	-----------------

Package 1 Gross Weight	11 lbs / 5 Kg
-------------------------------	---------------

Package 1 Height	7 in / 17.78 cm
-------------------------	-----------------

Package 1 Length	7 in / 17.78 cm
