

Upper Gasket PWR05

Key features

- **High-Quality Material:** Made from durable, oil-resistant materials that can withstand high temperatures and pressures, ensuring long-lasting reliability.
- **Precision Fit:** Specifically designed for the PWR05 model, providing an exact fit that effectively prevents fluid leakage.
- **Effective Sealing:** Creates a robust barrier to maintain the proper functioning of the upper assembly by preventing leaks and contamination.
- **3 Year Warranty, Customer Support and Service in the USA**

Upper Gasket PWR05 Description

The Upper Gasket for PWR05 is a vital sealing component designed to ensure the integrity of the upper assembly in hoisting systems. Engineered for durability and precision, this gasket prevents leaks and protects internal components from contaminants, enhancing overall equipment performance.

Technical Specifications

Warranty	3 Year
