

Limit Switch Connecting Shaft PWR05M5

Key features

- High-Quality Material: Constructed from durable materials that resist wear and corrosion, ensuring long-lasting performance in demanding environments.
- Precision Fit: Specifically designed for the PWR05M5 model, providing an exact fit that ensures optimal functionality.
- Reliable Operation: Ensures accurate connection between the limit switch and the hoisting mechanism, facilitating proper engagement and disengagement.
- 3 Year Warranty, Customer Support and Service in the USA

Limit Switch Connecting Shaft PWR05M5 Description

The Limit Switch Connecting Shaft for PWR05M5 is a crucial component that links the limit switch to the hoisting mechanism. Designed for precision and durability, this shaft ensures reliable operation of the limit switch, facilitating safe and controlled movement of the hoisting equipment.

Technical Specifications

Warranty	3 Year
