

Brake Spring for PWR1-67 single speed models only

Key features

- **Durable Construction:** Made from high-quality materials that offer excellent strength and resistance to fatigue, ensuring long-lasting performance.
- **Precision Engineering:** Specifically designed for compatibility with PWR1-67 single speed models, guaranteeing optimal fit and functionality.
- **Reliable Braking:** Provides consistent tension to engage the brake effectively, enhancing safety during operation.
- **3 Year Warranty, Customer Support and Service in the USA**

Brake Spring for PWR1-67 single speed models only Description

The Brake Spring for PWR1-67 single speed models is a critical component designed to provide reliable braking performance in hoisting systems. This spring ensures that the brake engages effectively, enhancing safety and control during lifting operations.

Technical Specifications

Warranty	3 Year
