

## Upper Gasket PWR1

### Key features

- **Durable Construction:** Made from high-quality materials that resist wear and provide excellent sealing capabilities, ensuring long-lasting performance.
- **Precision Fit:** Specifically engineered for compatibility with the PWR1 model, guaranteeing optimal sealing and functionality.
- **Leak Prevention:** Effectively prevents oil and fluid leaks, maintaining the integrity and efficiency of the hoisting system.
- **3 Year Warranty, Customer Support and Service in the USA**

### Upper Gasket PWR1 Description

The Upper Gasket for PWR1 is a critical component designed to provide a reliable seal between the upper housing and other parts of the hoisting system. This gasket helps prevent fluid leaks and ensures optimal performance of the equipment.
