

## Chain Steel Bags for PWR10/PWRC10

### Key features

- **Heavy-Duty Material:** Made from reinforced steel fabric, offering excellent durability and resistance to wear, tear, and environmental elements.
- **Spacious Design:** Accommodates various chain sizes and configurations, providing ample storage space for hoisting equipment.
- **Protection Against Damage:** Shields chains from dust, moisture, and debris, helping to maintain their integrity and extend their lifespan.

### Chain Steel Bags for PWR10/PWRC10 Description

The Chain Steel Bags for PWR10 and PWRC10 are robust storage solutions specifically designed to securely hold and transport chain hoists. Engineered for durability, these bags offer excellent protection and organization for your lifting equipment, making them ideal for industrial and construction applications.
