

Complete Brake Assembly PWR1M5 PWR1M5i PWRC1M5 PWRC1M5i

Key features

- **Comprehensive Brake System:** Includes all necessary components to fully replace the brake mechanism, providing a complete and ready-to-install solution.
- **Model-Specific Compatibility:** Designed for seamless integration with PWR1M5, PWR1M5i, PWRC1M5, and PWRC1M5i hoist models, ensuring precise fit and functionality.
- **Industrial-Grade Durability:** Constructed from premium materials to withstand rigorous use in demanding environments, ensuring long-lasting performance.

Complete Brake Assembly Description

The Complete Brake Assembly for PWR1M5, PWR1M5i, PWRC1M5, and PWRC1M5i models is a fully integrated braking solution designed to replace worn or malfunctioning brake systems in electric chain hoists. This high-performance assembly ensures reliable operation and enhanced safety in heavy-duty applications.
