### **Electric Chain Hoist Description**

Upgrade your lifting operations with this 1-ton electric chain hoist, featuring a single-speed motor and a 20 ft. G100 chain for robust performance. Operating on 220V single-phase power with a 50~60HZ frequency, it includes wireless functionality and meets FCC certification standards for safety and reliability. The nickel finish adds durability and a modern look, while the H3/M4 duty rating ensures it is suitable for medium-duty industrial applications. Ideal for various tasks, this hoist combines advanced features and dependable build quality.
