Electric Chain Hoist Description

The 1/2 Ton Electric Chain Hoist with Power Trolley is an efficient lifting solution designed for versatility and ease of use. Featuring a robust 20 ft G100 nickel-plated chain and a 110V single-phase 60Hz power supply, this hoist offers reliable performance for moderate loads. With wireless control and an FCC certificate, it ensures safety and convenience for industrial and commercial applications. The duty rating of H2/M3 makes it suitable for frequent use.
