- Power Supply: 220V single-phase, compatible with 50~60Hz
- Speed: Single-speed operation for efficient lifting
- 3 Year Warranty, Customer Support and Service in the USA

Electric Chain Hoist Description

The 1/2 Ton Electric Chain Hoist with Power Trolley is a robust and versatile lifting solution designed for demanding applications. Featuring a durable 20 ft G100 nickel-plated chain and a 220V single-phase power supply compatible with both 50~60Hz, this hoist provides reliable performance for moderate loads. The integrated power trolley allows for smooth horizontal movement, while the H3/M4 duty cycle rating ensures it can handle frequent use.
