Electric Chain Hoist Description

The 1 Ton Electric Chain Hoist with Power Trolley is a versatile and efficient lifting solution designed for demanding applications. Featuring a durable 20 ft G100 nickel-plated chain and a 110V single-phase 60Hz power supply, this hoist offers reliable performance for heavy loads. The integrated power trolley allows for smooth horizontal movement, while wireless control ensures convenient operation. With an H2/M3 duty cycle rating, it's ideal for regular use in industrial and commercial settings.
