

1 ton Electric Chain Hoist w/ Power Trolley 1 Speed 220V 1ø 50~60HZ 20ft G100 Nickel Duty H3/M4

Key features

- Capacity: Lifts up to 1 ton (approximately 2,000 lbs)
- Power Supply: 220V single-phase, compatible with 50~60Hz for versatile applications
- Speed: Single-speed operation for efficient lifting
- 3 Year Warranty, Customer Support and Service in the USA

Electric Chain Hoist Description

The 1 Ton Electric Chain Hoist with Power Trolley is a robust and efficient lifting solution designed for heavy-duty applications. Featuring a durable 20 ft G100 nickel-plated chain and a 220V single-phase power supply compatible with both 50~60Hz, this hoist provides reliable performance for lifting substantial loads. The integrated power trolley enables smooth horizontal movement, while the H3/M4 duty cycle rating ensures it can handle frequent use in industrial and commercial environments.
